5. Fire fighting measures

Media	No specific media required
Producers	No specific fire fighting procedure given

6. Accidental release measures

Small spillages	Can be washed to drain with plenty of water
Large spillages	Collect with absorbent inert material into suitable containers and dispose at an approved site

7. Handling and storage

No specific handling or storage requirements
--

8. Exposure control and personal protection

Eye protection	Non hazardous product. Does not require any personal protection
Skin protection	
Hand protection	
Breathing problem	

9. Physical and chemical properties

Appearance	Viscous florescence indigo liquid
Flash point	N.A
Flammability	Non flammable
Specific gravity	1.01~1.02
Solubility in water	Complete

TOLL FREE: 800-3854 (FUJI)

Boiling point	N.A
pH	6.5~7.2

10.Stability and reactivity

Conditions to avoid	Not relevant
Material to avoid	No incompatible group
Hazardous breakdown products	None

11.Toxicological information

Inhalation	No specific health warning applicable
Ingestion	
Skin contact	
Eyes contact	

12.Ecological information

No information available

13.Disposal considerations

Dispose of product and containers in accordance with local authority regulations.

14.Transport information

No transport warning sign required
